

Famous Words.

One of the greatest physicians in America said to a lady patient the other day: "If you can keep your bowels active you will never need my services."

Constipation is one of the most dangerous complaints. It creates a disordered liver, and then follow sick headaches, biliousness, loss of appetite, etc.

A physician would first prescribe a **Ramon's Tonic Liver Pills** to open the bowels and clean out all the poisonous bile. He would then give you **Ramon's Tonic Pellets** for purifying the blood, stimulating the appetite, and strengthening the system. The two medicines would cure you completely and make you feel better than you have felt for years. Ask your druggist for **Ramon's Tonic Liver Pills**. They cost 25c. a box, and you get with them a box of **Pellets free**.

All dealers, or mail, for 25c. 5 boxes \$1.00. **BROWN MFG. CO., New York.**

Week before last two locals were handed in, one in regard to the meeting of the Washington County Bible Society and the other in regard to the death of Mrs. Cunningham. By some mistake as will somehow happen to any newspaper, a portion of the Bible Society notice was transferred to the notice of Mrs. Cunningham's death, greatly to the embarrassment of our local editor.

Thomasville, Ga., April 20, 1880. Gentlemen—I have been a constant sufferer for eight years from chronic diarrhoea, and while spending this winter in Thomasville, Ga., I began the use of your Bromine and Arsenic Water.

I used one case with no apparent relief, the second case was begun, and improvement was remarkable. I continued its use until three cases were used, and I am now entirely well in every respect and weigh forty one pounds more than when I began using the water. You can add chronic diarrhoea to your list, for I feel sure it will cure any case. Very truly, H. Carter, Attorney at law, Kansas City, Mo.

David Holmes, a young man well known in this community as an honest, straightforward young man, died at his home near the County bridge late Sunday afternoon, of fever. He had been sick about twelve days. We have known David for a long time and he always was noted for his honesty and fair dealing with all with whom he came in contact. While he was poor in the things of this world he was rich in good name and noble character and his family will have the sympathy of this entire community in their bereavement. His remains were interred in the family burying ground, Monday afternoon in the presence of a large number of friends.

We have received from the publisher a copy of a little book entitled "The Road to Wealth Leads through the South," and after a rather hasty perusal can freely recommend it as an excellent guide to any who are thinking of taking up a residence in the South. It contains letters from a great many people who have migrated from the North, detailing their success in different branches of agriculture and horticulture, all of which speak in the highest terms of the capacity and adaptability of the South as a home for the money maker. It is published by E. C. Robertson & Co., Cincinnati, Ohio.

We were presented, last Saturday, by our friend H. M. Slagle with a couple of apples that are the product of the third crop of blossoms put forth this year by a tree in his orchard. The first crop of bloom was killed by the severe frost of last spring; the tree bloomed the second time and bore a good crop of fruit, and after it had matured put forth a third crop of bloom, and has now a good many nice apples on it. Can any one beat this, or remember a similar instance?

UNAKA VIEW.

Death has again visited our community and claimed Mrs. Mary Mottern, wife of Phillip Mottern, as its victim. Mrs. Mottern has been afflicted for quite a number of years; but through all she bore up bravely until the last. Her daughter, Mrs. Nathan Myers, of Midway, and Mrs. Powell Ottinger, of Parrotville, arrived in time for the burial. The bereaved family have the sympathy of the entire community. A little stranger (Niles Nasby) has arrived at the home of S. D. Hilbert. He has asserted his rights and come to stay. Mrs. Smith, Misses Jane Harrison and Virgie Lovegrove spent Saturday and Sunday on Limestone. The school at this place is increasing rapidly under the supervision of Miss Ida Middleton. Let me say dear friends there is too much backbiting the school teachers. If the patrons would give the teachers their united help instead of upholding unruly children and tongue lashing the teacher we would have better schools, and there would be no need of calling directors to settle disputes. Miss Middleton is teaching a very good school, taking everything into consideration, and deserves to be complimented on the good order she keeps in the school room. John Moore has bought the property of Johnson Cloyd. He has also bought quite a lot of nice furniture and furnished his house. This is a straw and shows which way the wind blows. Virginia will lose one of her fair daughters, but this community will be glad to have an addition. Where is Little Blossom, Twilght, Ken and all of the correspondents? We beg of you to come again. Someone asked if the Wild Rose, like the rest of the flowers, had faded and gone. No it has not gone, and we trust it has not faded within the last few months. Married the 4th inst. at the residence of the bride's parents, J. M. Brown, of this community, to Miss Ellen Payne, of Washington College; Rev. D. A. Thompson officiating. A reception was given them at the house of the groom. The table was loaded with the most delicious victuals. Those present were Rev. D. A. Thompson, Mr. and Mrs. Cloyd, Mr. and Mrs. Pritchett, Mr. and Mrs. McCroskey and Misses Pearl Moore, Lilly Reed, Lena Cloyd, Bertha Brown and the writer; Messrs. McCurry, Payne, Thompson and Lovegrove. May peace and joy now crown the union. May their life be bright as the day on which they wed, not a cloud to mar the horizon. Henry Briggman, who was hurt by the train some two weeks ago, is in a serious condition. The doctors think he will die; one side of him being entirely paralyzed. A pin can be stuck to the head in his person without his feeling it.

The Wild Rose.

NOTES FROM THE HILL.

We hope from now on to have some notes from the hill every week. By mistake Lena Anderson's name was omitted last week as ranked first with Kathleen Reeves in the Tenth Grade. Mrs. Peoples and her mother, Mrs. Adams, were present at devotional exercises last Monday morning. Mrs. Adams was making arrangements for her son to enter school. He will be in the Tenth Grade. WEDDING BELLS.

The following, from the Nashville Banner of November 2, will interest the many friends of the bride who read the Herald and Tribune:

A young couple never started on the sea of matrimony under more auspicious circumstances than did Mark Harwell Pettway and Miss Nellie Atchison Fuller, who were married at the home of the bride's parents, Mr. and Mrs. C. L. Fuller, on North Vine street, last evening at 6:30 o'clock. The parlors were tastefully decorated, and the gathering of friends who filled every available space during the ceremony was one of the most brilliant and representative that ever graced a similar function in this city. A room in which the handsome bridal presents were arranged on broad tables was the centre of much attraction, for the display was very elaborate. An orchestra from a concealed position rendered a wedding march as the ushers, Messrs. Carter Reeves, Fred Fuller, John Donaldson, of Knoxville; R. L. Washington, of Chattanooga, and Solsby Booth, of Knoxville, marked a bridal path with white ribbons to the wedding canopy of wild smilax and white chrysanthemums. Miss Mary D. Allison was the maid of honor and Frank Pettway was the best man. W. D. Fuller gave the bride away and Rev. C. H. Strickland, who had come from Sioux City for the purpose, performed the beautifully im-

pressive ceremony. Mr. and Mrs. Pettway received their friends and then with the guests repaired to the dining room, which was tastefully arranged in white and green. The refreshments were elegant. The happy couple took the evening train for Knoxville and guests remained to bid them good bye and goodspeed. Miss Fuller has many warm friends here who regret that Nashville is no longer to be her home, and her future visits to her old home will be awaited with pleasurable anticipation. Mr. Pettway is successfully engaged in the wholesale grocery business in Knoxville, and he has prepared a handsome home for the reception of his bride and they will immediately take possession of the house. Many handsome presents await them in their new home in addition to the ones displayed last night.

Owners must show their tickets to agent or baggage agent, that dogs may be properly way billed to train baggage men, and they must furnish chain or strong rope, so that dogs may be securely fastened in baggage cars. After March 31, 1895, the regular dog tariff to apply in all cases. W. B. Beville, General Passenger Agent.
